

# President's Corner

Great leaders don't set out to be a leader...  
they set out to make a difference. It's never  
about the role, always about the goal.

As I began to prepare for 2022, I communicated with each member of the executive board, committee chairmen, assorted members in various districts and even the American Association President. I have wanted to serve as NARC&SP President since I was young and I know the importance of the January Convention.

The goals I had set for us at the convention included a balanced budget, increase in 2023 dues, to foster an environment for productive and effective discussion and set a positive tone for the remainder of the year. And if I am being completely transparent, I wanted change of some sort. Boy did you all give me change; you actually made sure I had to personally be a tie breaking vote to have change! In all seriousness though, thank you to the Executive Board, Officers, Committee Chairmen and District Delegates in attendance that made my "first" January Convention a success in my eyes. I truly appreciate the respect you gave to not only me and the office of president, but to one another as well.

Unfortunately right after convention, my entire household tested positive for COVID. Becca and I were unable to attend the Chisholm Challenge as planned. Followed by the cancellation of the Fort Worth Stock Show Parade as well. We were devastated, as we were both looking forward to participating in both events.

Thankfully this past weekend, I was able to ride with Miss NARC & SP and almost 20 members in the Fort Worth Stock Show & Rodeo Grand Entry. Additionally, we had a group of young royalty introduced from the press box. This was so fun, exciting and our group looked incredibly sharp!!!

If you have an event, please make sure you publish your dates on the Association Webpage - [www.narcsp.com](http://www.narcsp.com) or our Facebook Page—NARC&SP Fans Past & Present. Becca, BJ, Tyler and I look forward to traveling this year! See you all soon.

# January with Miss NARC&SP

My first month as Miss NARC&SP has felt like a dream! At the January convention, I presented my speech and was crowned by our previous Queen, Kenedie Southard. Sadly, Covid & weather kept me from attending the Fort Worth Stock Show Parade and Chisolm Challenge. I hope to attend those events next year! Later in the month, I attended the District One meeting to prepare for the upcoming year. I ended the month with Grand Entry at the Stock Show. Representing the Association was an honor and everyone looked great!

Becca Halbert

I would like to thank Peggy Jones and Holly Mallory for my beautiful sash and saddle pad cover. Thank you, Brandi Davis, for my buckle and tiara. Thank you, Horseman's Supply, for my gorgeous headstall and breast collar. I would like to give a special shout out to Victoria Brown from Burleson, TX, who handmade my incredible chaps. Thank you, Brittney Luther, for helping me transition into this exciting role. And as always- thank you Mema and Papa for letting me ride JessieGail.

## **Parade & Drill News – February 2022**

Hey All!!! I'm back! Thanks for allowing me to be your Parade & Drill Chairperson again for 2022.

Mother Nature sure started off with a bang for our 2022 season. This year was one of just a few years that the Fort Worth Stock Show canceled the All Western Parade, scheduled for the 15<sup>th</sup>. With the 40-50 mph winds, they safety'd up and made the hard decision to cancel. If you've ever been on a horse through those downtown buildings, even with just 5-10 mph winds, then you can only imagine what it would have been like with 40+ winds. Can get a little crazy and borderline scary! Therefore, we didn't get to see our new Miss NARC&SP Queen Rebecca Halbert make her 1<sup>st</sup> appearance on horseback.

January 29<sup>th</sup> brought on the Association night at the Stock Show Rodeo. I was unable to attend, but from the pictures I've seen, our folks looked FANTASTIC, and WOW, did you see Miss NARC&SP's pics? STUNNING! She looked amazing!! And those beautiful chaps!!! (Can't wait to see them in person!) The new association blankets were completed and passed on to Mrs. President Kristel Halbert and made the group look very sharp.

Our committee has set a date for our fundraiser and that will be a Monopoly Playday to be held on April 30<sup>th</sup> at Noon, at Mansfield Arena. The flier should be attached. Hope to see you all there, but if you can't make it, we'd be happy to accept your entry fee, in support of our committee. We ALL KNOW how important it is to support ALL of the committee's, as that's how we keep this Association running.

Until next month,

Kelli Bryant

## NARC & SP Directory Advertisement Sales 2022

Each year the NARC & SP publishes a membership directory. This directory is a vibrant tool that lists current members, their contact information, the NARC & SP Officers and chairpersons, as well as lists of its districts and club officers. We are a Non-profit organization, and we rely heavily on donations, and fundraising so we can eagerly give back in the form of scholarships, leadership building, and contributions to the Chisholm Challenge-handicap equestrians.

The ads in this directory can be anything from advertising a business, wishing someone good luck, in memory of someone special, or just your name stating you support this amazing association and will be printed in black, white, and full color depending on quality of ad received. Please submit files via pdf or jpeg (*for best results; high resolution-300 ppi or greater; what you submit is what will be printed*). Also, include pictures in your ad for no additional cost, and as an additional bonus, your business ad will be available on our NARC & SP website, [www.NARCSP.org](http://www.NARCSP.org). The ad will be in the 2022 Directory and will reach approximately 150 families. We want to thank you for your continued support in helping make NARC & SP a great organization, and we look forward to seeing what kind of ad, or donation you bring to this year's directory!
